- Transportation from airport to hotel and to Sirona
- Lunch and dinner Friday
- Lunch and transportation to airport Saturday

ABOUT ALEX TOUCHSTONE

Dr. Alex Touchstone graduated from the University of Tennessee, College of Dentistry in 1994. His dynamic, engaging lecturing style and approachable demeanor are sure to motivate and inspire you. He maintains active teaching and lecturing schedules and serves on the Board of Directors of the Academy of Computerized Dentistry of North America. Not satisfied with the lack of control dentists have when shade matching, he recently invented the patented Shade Advisor color-control system for translucent restorations.
